

ONE DAY, ONE MOMENT, ONE PHOTOGRAPH

A brand-new thrill for photography enthusiasts from Sille Sanat Sarayı:
A surprise-themed, one-day photography competition series is kicking off.

Time flies...

And we're looking for the eyes that can capture the moment, the hearts that can feel it.
Every month, on a different day, we'll unveil a special theme—announced only on that very day.

 No prep, no guessing... Surprise day, surprise theme.

 Compete with a single shot in just one day.

At the end of each month, one photograph will be awarded the **Sille Sanat Sarayı Gold Medal** 

And it will be featured in our social-media archive as the “Photograph of the Month.”

Like life itself, this competition is fast, genuine, and one-off...

Maybe success will rise from your frame.
